

OUR COMMITMENT

RESPECT 2040

Pledge/commitment

OBSERVING

We are aware of the movement and interested in the cause. We will seek out information when we want it.

FOLLOWING

We care about the movement and the cause and are interested in receiving information about its progress.

ENDORISING

We endorse the movement and the work of those involved. At this stage, we are not able to invest a significant amount of effort and resources into it.

CONTRIBUTING

We are committed to the work and will pitch in and do our bit to help in our area of influence.

OWNING

We are fully invested in the mission and success of the movement. We are committed to ongoing collaborative actions and that these are likely to be broader than our internal organisation and our local community. We can take responsibility to figure out what needs doing and to be responsible for getting the job done in the way that makes the most sense.

LEADING

We are so deeply committed to the movement we will focus our energy on engaging and leading others in the work. We will provide energy and effort to ensure the movement reaches its vision and mission across the whole Great South Coast community through supporting and steering the direction and adapting to the changing landscape.

Examples of demonstrating commitment

OBSERVING

Visit website or social media pages when they choose.

FOLLOWING

Shares contact details to receive information such as newsletter distribution, RSS feed, social media pages.

ENDORISING

Undertakes straight forward, low risk actions to endorse the work, such as signing a pledge or petition, attending an event, sharing information about the work within sphere of influence. Regularly shares and comments about movement on social media.

CONTRIBUTING

Undertakes action and change to support the vision and mission of the movement within their area of influence. This may require significant resources to undertake. Actively shares learnings and progress with others who are interested in making similar changes.

OWNING

Takes responsibility for shaping and steering parts of the work within their local community or a community of interest. This is typically beyond internal organisational change and requires significant investment of resources.

LEADING

Supports senior people with influence to be heavily contributing to the work.

Engages others in the work from across the GSC region and/or policy makers and funders.

Actively involved in Collaborative Table.
